

# **IS YOUR CHILD SAFE?**

*Motor vehicle crashes are still the leading cause of death for children between the ages of 1 and 15!*

## **Car Seat Safety for Children**

**Car seat safety checks are a *free* service provided by Safe Kids Douglas County. Safe Kids is a non-profit community coalition of agencies and individuals. We are funded by grants from General Motors and the State of Kansas.**

**Over 80% of parents have their child safety seats installed incorrectly in their vehicles thus putting their youngsters at risk for injury or even death.**

**Don't let this happen to you. Have your seat checked by a certified child passenger safety technician to ensure it is installed correctly in your vehicle. For an appointment call (785) 749-5800 or, to find a list of open events that don't require an appointment.**

**Low-income families may qualify for a reduced-price seat if there is a financial need. Make an appointment or come to an event to inquire about the possibility of a reduced-price seat.**
